

*The primary purpose of the Design Review Committee is to maintain environmental and architectural design standards for the entire Parke community.*

- *The Parke Design Review Committee is composed of all volunteer members.*
- *We care about The Parke and work to keep it looking clean and aesthetically pleasing by assisting Members/residents with the planning of outside projects while following the guidelines set forth by The Parke Governing Documents.*
- *We will work with you and for you through the entire process.*
- *We provide that opportunity to meet and work with your neighbors.*

*The Design Review Committee meets on the third Tuesday of the month at 9:30 am in the Card Room at the Clubhouse. Our meetings are always open to everyone and we welcome Members/residents at every meeting.*

*We look forward to meeting you and working with you in the future.*
